

ASHUTOSH JARAG

Data Scientist | Machine Learning | Analytics | NLP

📧 jaragashutosh11@gmail.com 🔗 [linkedin](#) 📍 Kolhapur, Maharashtra, India

SUMMARY

Driven fresher with a strong focus on machine learning, proficient in Python and SQL, and experienced some personal and College projects. Developed ML models for book recommendations, spam detection, and car price prediction, alongside sales data analysis. Passionate about NLP and data analytics, I'm eager to build innovative AI solutions for retail and hospitality.

EXPERIENCE

AI/ML Intern

Compserve Consultants Pvt Ltd

📅 01/2025 - Present 📍 Kolhapur, Maharashtra, India

Company Description

- Working on developing an LLM-based application to automate handwritten bill entry into a database.

EDUCATION

B.Tech in Computer Science(Data Science)

Shivaji University

📅 2022 - 2025 📍 Kolhapur, Maharashtra, India

Diploma in Computer Science

Dr. D. Y. Patil Polytechnic

📅 2019 - 2022 📍 Kolhapur, Maharashtra, India

STRENGTHS

Problem Solving

Skilled in developing innovative ML solutions, tackling complex data challenges effectively.

Quick Learner

Quickly learns new tools and techniques, thriving in fast-paced, evolving data-driven environments.

Collaboration

Ability to work with cross functional teams to solve complex problems.

SKILLS

Python

R

SQL

NoSQL

Data Science

NLP
