C-DAC's Advanced Computing Training School

Common Campus Placement Programme

Resume

Basic Information

Name : **ASHUTOSH SHAILENDRA JARAG**

CCPP ID : PB0183

Course : PGCP-BDA,Feb26

Address : 1561, 'B' Ward, Jarag Galli, Mangalwar Peth, Kolhapur, Kolhapur, MAHARASHTRA

Work Details

Company Name	Designation	IT Related	From	To	Nature of Work
Compserv Consultant Pvt Ltd	Intern	Yes	01/01/2025	30/11/2025	-Contributed to the development of Generative AI applications using LLMs RAG pipelines and AI frameworks. -Participated in R&D activities involving LLM evaluation vector databases framework selection and system architecture design. -Built an AI-powered handwritten bill processing system reducing manual effort by 70 pecentage. -Developed secure data storage and file-tracking solutions with encryption audit trails and enhanced data traceability.

PGCP-BDA Marks

S.NO.	Module	Maximum Marks (Theory)	Obtained Marks
1	Linux Programming and Cloud Computing & Data Collection and DBMS	40	35
2	Java Programming	40	29
3	Python & R Programming	40	38
4	Advanced Analytics and Statistics	40	28
5	Data Visualization - Analysis and Reporting	40	31
6	Big Data Technologies	40	31
7	Practical Machine Learning	40	36
	Total	**280**	**228**

Academic Details

Level	Stream	Institute	Board/University	Passing Year	Degree %	Division
BTech	Data Science	Dr. D. Y. Patil Pratishthans College of Engineering, Kolhapur	Shivaji University , Kolhapur , Maharashtra	2025	77.31 %	I
DCS	Computer Engineering	Dr. D. Y. Patil Polytechnic, Kasaba Bawada, Kolhapur	Maharashtra State Board Technical Education , Mumbai , Maharashtra	2022	84.23 %	I
X	General	Sou. S. M. Lohiya Highschool, Kolhapur	Maharashtra State Board	2019	87.6 %	I

Academic Projects

Title	:	**AI-Powered Research Paper Intelligence System**
Platform	:	Python, FastAPI, Scikit-learn, XGBoost, Sentence Transformers, ChromaDB, LangChain, Google Gemini, Pandas, Pydantic
Duration	:	1 Month
Description	:	Developed an AI-powered research paper intelligence system processing huge arXiv papers for document classification, semantic search, publication prediction, and Retrieval-Augmented Generation (RAG). Integrated FastAPI, Scikit-learn, ChromaDB, Sentence Transformers, and Google Gemini to deliver intelligent paper discovery and question answering.
Project Repository	:	https://github.com/Ashutosh-Jarag/cdac-aiml-project

Title	:	**AutoLog – Smart Vehicle Logging System**
Platform	:	Python, FastAPI, LLMs, React, PostgreSQL, Database, Docker
Duration	:	6 Months
Description	:	Built an AI-powered parking management platform using Python, FastAPI, LLMs, React, PostgreSQL, and OCR for automated vehicle identification and tracking. Implemented real-time image processing pipelines to detect license plates, classify vehicles, and maintain structured parking records with timestamp-based event tracking. Integrated AI-driven automation to streamline parking operations, enabling intelligent vehicle tracking, secure data management, and real-time decision support for administrators.
Project Repository	:	https://github.com/Ashutosh-Jarag/AutoLog

Title	:	**Reliable Supply Chain Data Pipeline**
Platform	:	Python, PySpark, Kafka, AWS, Docker, PostgreSQL, Snowflake, dbt, Airflow
Duration	:	1 Month
Description	:	Designed and implemented an end-to-end cloud-native Supply Chain Data Pipeline using AWS S3, PySpark, Snowflake, dbt, and Tableau, processing Bronze-Silver-Gold layers for scalable analytics and reporting. Built a reliable data processing pipeline with deduplication, data quality validation, dead-letter handling, partitioned Parquet storage, and idempotent batch processing, ensuring accurate and resilient data ingestion. Developed analytics-ready Gold data models with dbt and Snowflake External Tables, and built interactive Tableau dashboards for revenue, inventory, store, and rider performance analytics.
Project Repository	:	https://github.com/Ashutosh-Jarag/reliable-supply-chain-data-pipeline

Other Information

LinkedIn	:	https://www.linkedin.com/in/ashutosh-jarag/
Technical Certification	:	Cisco Data Analytics, Cisco Introduction to Data Science, Power BI, Advanced SQL
Extra Curricular	:	Internships: (1) Compserv Consultant Pvt Ltd | Intern (Jan 2025 – Nov 2025), (2) Tvarit Solutions Pvt Ltd | Data Science Intern (Jun 2024 – Aug 2024) Leadership & Achievements - Winner, AI/ML TechSphere College Tournament for machine learning problem-solving and model development., - Led a student team to develop a web platform for local women entrepreneurs under the college KIC initiative.
Hobbies	:	Football, Badminton, Driving, Video Games, Travel

Personal Information

Date of Birth	:	09/08/2003	**Gender** :	Male
Nationality	:	Indian	**Languages Known** :	Marathi, Hindi, English

I hereby declare that the information given above is true to the best of my Information knowledge belief.
